Q :What are the most frequently asked questions?

In order of most frequently asked:

Q: How are CARDshotz Video Business Cards (VBCs) sent?

A: They will be sent by email, text, DM, AirDrop, possibly also Android's "Nearby Sharing" by January 7, 2020.

Q: How does CARDshotz make a profit if the APP is FREE?

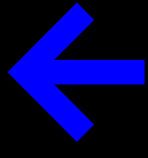

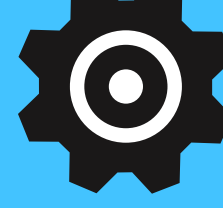

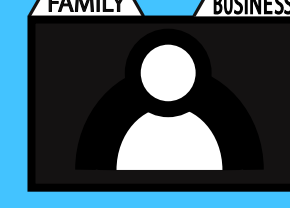

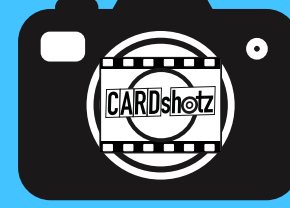

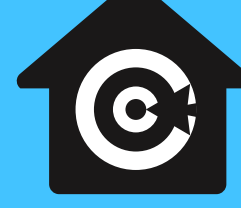

A: Monetization by CARDshotz will be accomplished by up-selling both PRO Version Users and FREE Version Users. Upselling includes: PRO Version CARDshotz, Banner ADS, additional TEMPLATES, original VBC background Music, phonebook ADS in each User's local ZIP codes, and more. (*Support our crowdfunding and receive a complete list.)

Q: How does a CARDshotz User's contact information get into the potential customers phone's contact list?

A: When your customer receives your CARDshotz VBC, they will have to choose to accept it to their phone.
